Leadership Profiles

Executive and board biographies

Executive Team

Chief Executive Officer

25+ years across African mining. Previously led operations at a mid-tier iron ore producer, delivering three greenfield builds on time and budget.

Chief Financial Officer

Chartered Accountant with prior roles at a Big Four firm and a JSE-listed resources group. Led capital raises in excess of USD 1.2 billion.

Chief Operating Officer

Metallurgical engineer with deep experience in manganese and ferroalloys. Former plant manager at two smelting operations.

Chief Sustainability Officer

Environmental scientist. Led ESG integration and community programmes at two multi-commodity groups.

Board

Independent Non-Executive Chair

Career banker and former CEO of a regional development finance institution.

Independent Directors

Four independent directors bringing expertise in mining engineering, finance, law and community development.
